About Us

Launched in 2022, the Series welcomes new and emerging artists of classical, jazz and folk styles to the beautifully intimate setting of the Effra Road Chapel in Brixton. Curated by brothers Jason Taing and Ricky Taing, we have featured students and graduates from many of the UK's leading musical institutions, most recently, The Heliconia Duo, chamber orchestra The Brixton Soloists, and singers from the Oxford Song Festival and Genesis Sixteen for our Handel's Messiah. We would love to see you join us for what promises to be a selection of superb solo and chamber concerts from London's finest artists.
